
CUSTOMER INFORMATION regarding the automatic exchange of information according to the OECD standard in Austria

Regulations based on the OECD Common Reporting Standard ("CRS") and the Austrian implementation law ("GMSG") require Wiener Privatbank SE to collect and report certain information about an account holder's tax residence. If your tax residence or the tax residence of a "controlling person" of your financial account is located in a "reporting jurisdiction", Wiener Privatbank SE is legally obliged to pass on information with respect to your financial accounts to the tax authorities in Austria and they exchange this information with tax authorities of jurisdictions pursuant to intergovernmental agreements to exchange financial account information.

You can find out more information, including a list of jurisdictions that have signed agreements to automatically exchange information, along with details about the information being requested, on the OECD automatic exchange of information portal: <http://www.oecd.org/tax/automatic-exchange/common-reporting-standard/>.
